

BIOGRAPHY

Da MAC (Music About Christ) is from Saint Louis, Missouri. He started making Christian Hip-Hop in 2007, and shortly thereafter he gave his life to Christ. Although he'd grown up listening to Hip-Hop music, Da MAC discovered that writing/performing could be a means of self-expression- especially in hard times. Now, he uses Hip-Hop as a vehicle to share the Gospel! He has recorded four albums independently (M.A.C.nificent, Return of Da Mac, Real Talk, and ImM.A.C.ulate) and he is currently working on his fifth album.

For Da MAC, making music is about having fun! His portfolio incorporates content across a broad spectrum of topics and styles. There are songs with heavy guitar riffs like "Till I Collapse" or songs that have soul like "Love". There are even songs that are solely made "to bump in your trunk" like "Christ Beatz". Da MAC strives to promote diversity through his art. At live performances, Da Mac engages the audience and relies strongly on crowd participation. He wants everyone "to get pumped up for Christ!".

Da MAC has a passion for Hip-Hop, but more importantly he has passion for his Lord and Savior Jesus Christ. He wants to use his talents to share that passion with the world.
